Tennessee Department of Education

Priority Schools

August 13, 2012

State ID	District	2011-12 Title I	School
----------	----------	--------------------	--------

Priority Methodology:

To identify priority schools Tennessee calculates a composite proficiency rate (success rate) for all students in a school. The data inputs for the calculation of the success rate include up to three years of data for all of the following indicators for each school where applicable based on the assessments administered by the school.

- 3-8 Math
- 3-8 Reading/Language Arts
- 3-8 Science
- Algebra I
- English I
- English II
- Biology I
- Graduation Rate

The success rate equals:

$$\frac{\begin{aligned} &\# \text{ Proficient/Advanced Students in Math + Reading/Language Arts + Science} \\ &\quad + \text{Algebra I} + \text{English I} + \text{English II} + \text{Biology} + \# \text{ HS Graduates} \end{aligned}}{\begin{aligned} &\# \text{ Tested Students in Math + Reading/Language Arts + Science} \\ &\quad + \text{Algebra I} + \text{English I} + \text{English II} + \text{Biology} + \# \text{ Students in HS Graduation Cohort} \end{aligned}}$$

Note:

The success rates used for determining priority schools include up to three years of data. Success rates are calculated for schools with at least 2011-12 data. Only schools that are active in the 2011-12 school year, with at least 2010-11 and 2011-12 data, are identified as priority.
